Introduction

MALIK BROTHERS is pleased to present their products under their Brand Name **PARX**.

A Premium & Architectural range of Builder's Hardware are designed to give an exclusive and royal look to your dream homes. The dazzling; sparkling and mesmerizing range has been designed to blend with the modern exterior and interior, At the same time enhancing the beauty of its environs.

Every piece goes through stringent quality control measures to assure consistent production standard from one batch to another. Quality products at reasonable prices is the sure motto of our company.

The company has a very strong technical base with super skilled man power, supervision under the guidance of experienced managerial staff, so as to get optimum productivity from man, material and machines.

We most cordially welcome you to the house of **PARX** to match your choice & compare the difference.

Care Instruction

As a general rule, we recommended wiping the fitting dry with a soft cloth after each use. In the case of light dirt, its sufficient clean the fitting with soft cloth

Please avoid using cleaning agents which contain hydrochloric acid, formic acid, acetic acid, phosphoric of chlorine bleaching substances. Also avoid abrasive cleaners and sourcing pads.

If care instruction are not followed, warranty claims may be denied.
